

# WALLIS FAIRVALLEY

MEMBER SINCE 2003  
ATLANTA, GA

Wallis Fairvalley has enjoyed nearly 50 Atlanta Junior Golf tournaments since becoming a member of the organization in 2003. She has competed in numerous Summer Series events, Season-Ending Championships, and Special Events, but she says nothing compares to the “golf trip of a lifetime” when she played for Team Atlanta in the Atlanta-Kauai Team Challenge in 2009.

Wallis has had the opportunity to play one of the most cherished golf courses in the United States, Pinehurst #2, but still said Wailua Golf Course, Kauai, could be her favorite she has ever played. “Playing a golf course on the shores of the Pacific Ocean was amazing. I loved every aspect of the Team Challenge, and how everything was more laid back and chill compared to your normal round.”

Even though golf is the center of the Atlanta-Kauai Team Challenge, Wallis said, “staying and being a part of a family was the best part of the whole Kauai trip. The most important thing I will take away from the experience is the culture and friendships I took from Kauai home with me.”

“I discovered that golf is played the same way all over the world. I am really looking forward to hosting a family and showing them how we live our everyday lives but that golf is the same no matter where you play.” Wallis said that one day she would love to play a round with her dream foursome, Atlanta Junior Golf staff members, Jeff Holt, Matt Hooper and Blaise Wannemacher. Interesting enough her favorite golfer, Grant Fairvalley, was not in her dream foursome because she just likes to play with him for laughs. When Wallis is off the course, she enjoys skiing in the winter and being outdoors any other time of the year.

Wallis will join 15 other Atlanta Junior Golf members in the Atlanta-Kauai Team Challenge, October 8-9 at the Alpharetta Athletic Club as Team Atlanta looks to retain the Atlanta-Kauai Team Challenge Cup!
